# Optimizing Treatment Strategies for Localized and Advanced Genitourinary Malignancies

PRESENTED BY FOX CHASE CANCER CENTER AND THE TEMPLE HEALTH OFFICE FOR CONTINUING MEDICAL EDUCATION.

The management of advanced kidney, bladder, and prostate cancer is rapidly evolving, and new robotic and minimally invasive surgical techniques are now available. This CME program is designed to address the challenges physicians face in treating these complex cases.

Presented by the nationally recognized Fox Chase Cancer Center genitourinary oncology team—comprising experts in urology, radiation therapy, and medical oncology—this program will cover the latest advancements in surgical techniques, radiation therapies, and medical treatments for both localized and advanced bladder, kidney, and prostate cancers.

## Objectives:

After participating in this educational programs, learners should be able to:

- Explain some of the newest surgical techniques for bladder, kidney and prostate cancer
- Explain the newest data in radiation options for localized and advanced GU malignancies
- Describe new medical options and treatment options for advanced bladder, kidney and prostate cancer

## Program Directors:

### Alexander Kutikov, MD, FACS

Chair and Professor, Department of Urology  
Roberta R. Scheller Chair in Urologic Oncology  
Fox Chase – Temple Urologic Institute Provider

### Daniel M. Geynisman, MD

Chief, Division of Genitourinary Medical Oncology  
Associate Professor, Department of Hematology/Oncology

## Register Online: [FoxChase.org/CME](https://FoxChase.org/CME)

Registration Deadline:

**Monday, November 18, 2024**

5:45 PM – 7:00 PM Check-in & Reception  
(Buffet opens at 6:30)

7:00 PM – 9:00 PM CME & Dinner

### LOCATION

Philadelphia Marriott Old City  
One Dock Street, Philadelphia, PA 19106

### INQUIRIES

Lucía Tono, PhD, MEd: 215-728-3797  
Lucia.Tono-Ramirez@tuhs.temple.edu

## Topics & Presenters

### Single Port Robotic Surgery for Genitourinary Cancer

**J. Ryan Mark, MD, FACS**

### SABR for Oligometastatic Prostate Cancer and Localized Kidney Cancer

**Jessica Karen Wong, MD, MEng**

### Nuances and Options for the Management of Advanced Bladder Cancer

**Pooja Ghatalia, MD**

### Biochemically Recurrent Prostate Cancer: Treatment Paradigms and New Options

**Fern Anari, MD**

### Adjuvant Therapy in Renal Cell Carcinoma

**Matthew R. Zibelman, MD**

**INTENDED AUDIENCE:** The program is designed for medical, surgical, and radiation oncologists; urologists; radiologists; primary care physicians; fellows; residents; nurses; and other healthcare providers.

**ACCREDITATION STATEMENT:** The Temple Health Office for Continuing Medical Education is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

**DESIGNATION STATEMENT:** The Temple Health Office for Continuing Medical Education designates this live activity for a maximum of **2 AMA PRA Category 1 Credits™**. Physicians should only claim the credit commensurate with the extent of their participation in the educational activity.

Non-discrimination notice: It is the policy of Fox Chase Cancer Center and Temple University Hospital, Inc., that no one shall be excluded from or denied the benefits of or participation in the delivery of quality medical care on the basis of race, ethnicity, religion, sexual orientation, gender, gender identity/expression, disability, age, ancestry, color, national origin, physical ability, level of education, or source of payment.
